

Site Council Minutes

November 16, 2006

1. We reviewed conference sign-up

- We all thought sign-up in the cafeteria went smoothly
- Turn out for 1st grade was low
- In the future we will post the sign-ups outside the gym and put notices on the doors and in Tiger Tales to increase the number of sign-ups we get
- Sign-ups for spring conferences will be in the cafeteria during fall conferences

2. We discussed spring surveys and increasing parent participation

- After much brainstorming we decided to have teachers assign it to parents as homework. The due date will be conferences
- There will be a tear off section to be entered in a raffle to win some prizes (e.g. \$50 gift certificate to a local restaurant)
- The survey and tear off section will be turned in to the teacher at conferences
- We decided to add a student survey for all students this year
- We modified both the parent and student surveys to better meet our needs

3. We agreed to look at the school website and offer feedback at a later time
